- TV & radio commercials

## MY STUDIO

I work from my own professional studio kitted out with high quality gear ensuring all my clients receive broadcast quality audio for their projects. The equipment I have includes:

- Neumann TLM 102 microphone
- SSL 2 MKII audio interface
- Reaper (DAW)
- Wired internet connection over fiber broadband
- SourceConnect 4
- RODE mic arm
- Pop shield

The booth is of a double walled construction and acoustically treated using professional materials.

## CLIENTS

I have worked with clients large and small, such as Yale Doors and Windows, Doorstop International, Tree2MyDoor and advertSAFE.

## TRAINING / EDUCATION

- Private coaching with Tanya Rich / RichCraft
- Vocal techniques in character voice acting with Sarah Nightingale
- Social media and marketing with Sarah Nightingale
- SourceConnect 4
